

Youth Employment Hub

Latest News!

Hello everyone!

My name is Kitty and I'm the new Youth Employment Hub Coordinator.

I've been at the Hub for about six weeks now, so I wanted to say a proper hello! It's been such a great start and I've loved meeting everyone who has come in to have a chat about exploring their next steps.

I've also been getting to know our wonderful team here at the hub, including our lovely Hub Assistant Skye, who has been supporting young people at the hub since 2024, Richard from the National Careers Service and our work coaches Natalie, Finley, Kate, Emily, Alex and Wendy.

We are working together to create an exciting range of opportunities for you to take part in, watch this space! If we haven't met yet, come and say hi next time you're in, we'd love to meet you!

We're open Monday-Friday, 9:30am-4:30pm, and can't wait to see you soon
