Latest News!

Hello everyone!

My name is Skye and I am the Youth Employment Hub Assistant. I recently finished and completed my level 3 Business Admin Apprenticeship and got my permanent position at the Youth Employment Hub.

I am very grateful to have achieved this and been given such an amazing opportunity. I have also recently been first-aid trained. I feel I have learnt so much on this journey and got involved with so many different things. I have nearly been at the Hub 2 years now and I really enjoy it.

The Hub is open Monday-Friday, 9:30am-4:30pm, and can't wait to see you soon
